The now annual Predictor Run saw the start of the 38th year of the Handicap and with 10 on the starting line it was a pleasing turnout, but 13 down on Jan 1985 when it was held on a Friday lunchtime. The first 3 based on predicted time were very close but if only Gina had stayed with her second estimate she would have been 12 seconds adrift! Then again Malc changed his mind but his initial estimate would have been 21 secs out! The February Handicap will be back to the traditional format which everyone loves!
