A better morning than forecast for the November Handicap and what a great turn-out for the race, with Jayne O and Simon L making their debuts and PBs being set by Andrew N, Andrew S, Michelle T and John D. Many thanks to Tony & Liz Airnes for turning out to officiate and also to Izzy Dunn who took her first steps on the officials pathway with the stopwatch. I have to say how pleasing it was to see about 10 runners ahead of me coming up New Lane which shows the handicapping wasn't too bad! Apart from Nov 20 (Covid time) this was the best November attendance since 2007

Next Handicap will be Sunday 4th December at 10.00 but with a mass start
