With a mass start and a couple of icy patches on New Lane it was good to see everyone return safe and sound as the Handicap completed another successful year having first been run in January 1985. There was a massive PB of over 2.30mins by Peter Bradburn whilst Graham Davies was 2 seconds off a new M65 Record! Everyone running today has been a loyal supporter of the Handicap over the years so thanks for continuing to run. Once again our appreciation goes to Liz & Tony Airnes for timekeeping and recording and all their assistance during the year.

The next handicap will be Sunday 7th January which is the Annual Predictor Race, with no timepieces allowed, but back to the traditional Handicap Start times
